

# SAM POULTER

## UX / UI DESIGNER

### INTRODUCTION

Hi, I'm Sam, a UX Designer and recent graduate of Northumbria University. I see myself as a very creative and highly motivated individual, with a good eye for detail. I am someone who works well on my own and even better as part of a group or team. Having been a part of projects that covered multiple areas of Design including Experiential and Game Design, I feel I am very versatile and capable of adapting to many roles and situations.

### AREAS OF INTEREST

#### User Experience

I have always been interested in improving existing systems through design solutions as well as creating new ones that enable users to have the best possible experience when using a device or interface.
